## Which cabins are better?

Just so you know, cabins below deck are much quieter, provide more privacy and peace, allowing you to fall asleep listening to the quiet sound of waves, and to wake up with a smile. Like trying to retell a dream, choose one of our cabins on deck, and be prepared to experience amazing beauty in every moment of your cruise. Just open the door and witness magical sunrise and sunset. Every cabin has its special story...

## Beverages

Water dispenser available throughout the cruise. A bar is available on all ships serving a selection of beers, wine, spirits and soft drinks. All drinks purchased on board are payable in cash at the end of your cruise. We do not allow any drinks or food bought on-shore to be brought on board the ships. We suggest you not to drink tap water.

## Is there a doctor aboard?

There is no doctor aboard, but the crew is qualified for giving first aid. However, in every port there are specialized medical teams or health facilities.

## Is a cruise suitable for children?

Of course it is. And without any doubt, it is a great experience for children. Because of the special conditions aboard, we recommend our cruises for children at least at school age, and they should be able to swim.

## How much luggage can I take aboard?

Generally, there is no limit, but you should keep in mind that the space in the cabins is restricted. If you hate packing, no worries, you only need to bring a bathing suit and couple of shorts and T-shirts on our cruise - don't overpack.

## Do motorized sailing boats sail during the night?

No, our motorized sailing boats sail exclusively during daylight. During the night, they will moor in harbours or coves.

## Is sleeping on deck permitted?

It certainly is. For many of our guests, it is a unique experience to spend the night in the fresh air, under the Mediterranean stars.

## Is there enough shade aboard?

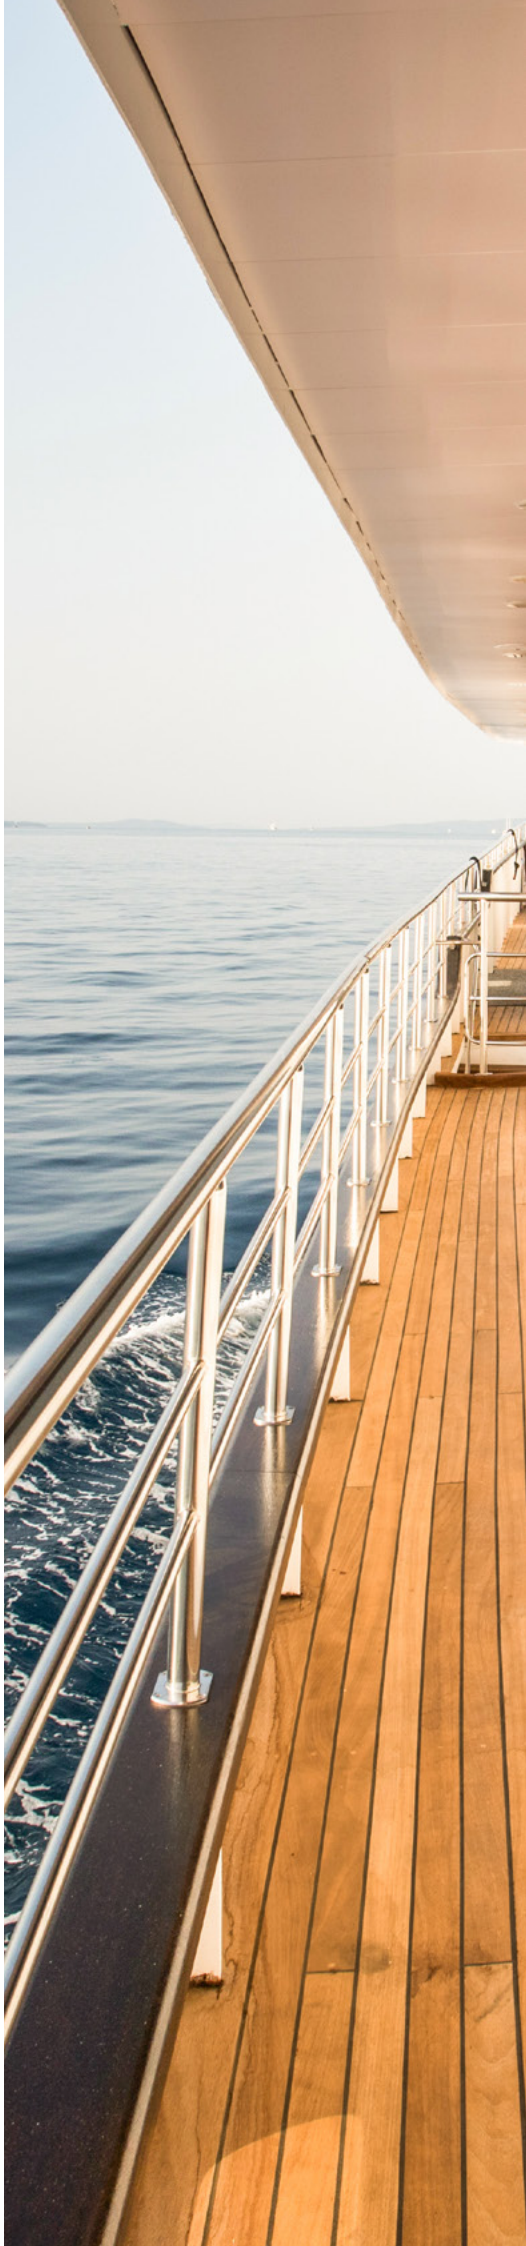
Of course, there is enough shade aboard. Usually, bigger vessels have got a canopied part at the stern on the main deck, in addition to that, parts of the sundeck are protected by a canvas cover.

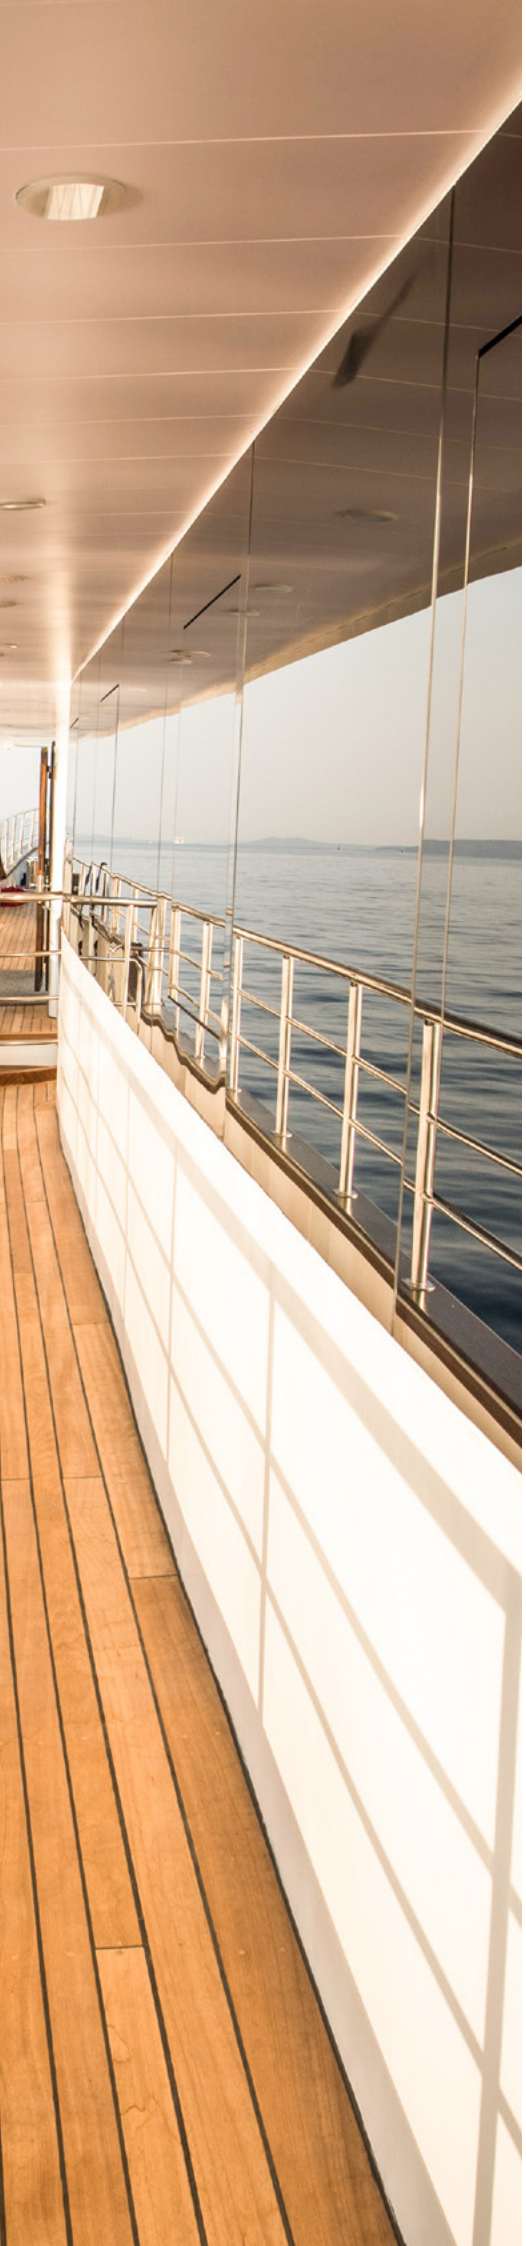
## Can I pay with credit card on the ship?

Credit cards on board are accepted on most our supreme ships. Credit cards are not accepted on our superior ship, however, your Cruise manager will gladly direct you to ATM machines.

## Are cruise ships wheelchair accessible?

Due to the specific mooring conditions and requirements in some Croatian ports, ships are moored side by side, making it necessary to cross from one ship to





another with gaps in between, to get to the shore. In such cases guests need to take special care when crossing and do this at their own risk. Crew assistance will be given to those needing and requesting it but cruises are not recommended for clients in wheelchairs or with limited mobility.

## Are towels provided on board?

For your comfort, bath towels and a beach towel are provided on all our ships. There is the possibility of renting towels for the beach with a maximum cost of 7 euro per pcs/week.

## What electricity is on board?

In our Ships we have available electricity 220 V. Due to security measures it is not allowed to have plugs in the bathrooms of the cabins.

## Is smoking allowed on board?

Smoking in the restaurant area and in the cabins is not allowed. There will be a small-designated area outside for smokers away from the general entertaining areas. Passengers must not throw cigarette butts in the sea.

## Are there baby cribs available in the ships?

Baby crib is available on request only, with supplement. In case any guest wants to bring their own baby crib, please inform us at the time of booking to try to assign a cabin with enough space for it.

## What if I have dietary requirements?

The cuisine on board is a combination of Mediterranean and international cuisine, with traditional Croatian dishes, and includes seafood typical of the region. If you have any dietary requirements, we kindly ask you to provide information in advance to enable the chef to accommodate these dietary needs upon arrival.
