Day 2 Zadar – Sali, Sunday

Zadar historical center is a compact pedestrian zone, perfect to explore on foot. Set out on a walking tour and admire the old walls built in 16th century by Venetians as a defense from the Turks. You will also see the 16th century Port Gate where the Venetian lion still guards the entrance, the Square of the Five Wells, Church of St. Donat, the Roman Forum (1st century BC) and the largest cathedral in Dalmatia, St. Anastasia. Return to the ship and enjoy your lunch while sailing to Sali. Explore the town tonight, and have dinner on your own in one of the restaurants. (B, L)

Day 3 Sali – Šibenik, Monday

Take in the scenic wonderlands of two National Parks today. Start in Kornati, home to more than 140 islands with numerous coves and crystal clear waters. Stop for a swim during your lunchtime cruise. Next up is Krka, with its magnificent waterfalls. After your visit here, coach to Šibenik where your yacht is anchored. Your evening is at leisure in town. (B, L)

Day 4 Šibenik – Trogir – Split, Tuesday

Take a break for a swim during your morning cruise. Continue sailing through lunch, arriving this afternoon in the UNESCO-listed city of Trogir. There's time on your own before heading to Split. 8 DAYS FROM SPLIT TO NP KRKA, ZADAR, NP KORNATI, ZLARIN, VIS, HVAR, BOL, SPLIT

* the map view is for illustrative purposes only

Day 1 Split embarkation Saturday

Embarkation starts at 13:00. Get settled, and later join your fellow "sailors" for a Welcome Reception with dinner. (D)

Day 2 Split – Primošten – Vodice - Zadar Sunday

Depart from Split early in the morning to Primošten with visit of the Krka National Park, with its magnificent waterfalls. Afterwards, coach to Vodice, return to the ship and enjoy lunch, while sailing to Zadar, a city of exceptional history and rich cultural heritage. In the late afternoon, set out on a walking tour of Zadar historical center and admire the old walls built in 16th century by Venetians as a defense from Turks. Also see the 16th century Port Gate where the Venetian lion still guards the entrance, the Square of the Five Wells, Church of St. Donat, the Roman Forum and the largest cathedral in Dalmatia, St. Anastasia. Your evening is at leisure in town. (B, L)

Day 3 Zadar – Kornati National Park - Zlarin Monday

Morning departure for the National Park Kornati, comprised of more than 140 islands, islets and rocks. In addition to this large number of islands, the continental part includes only 1/4 of the surface of the park, while the rest belong to the marine eco-system. Afterwards we continue to Zlarin, a typical small Dalmatian village widely known for tradition of hunting and processing corals, where we will overnight. Tonight enjoy Captain's dinner onboard. (B, L, D)

Day 4 Zlarin – Vis Tuesday

Leaving Zlarin we will have an early morning cruise towards the island of Vis, once a strategic naval Yugoslav base and closed to the public. Due to this isolation, Vis has a special charm – "the Mediterranean as it once was" making it really interesting to visit. Situated on the northern side of the island, Vis has developed near the remains of the ancient Issa, first urban center in Croatia. Upon arrival in town of Vis join the orientational walking tour to visit the remains of the Roman thermal place and views of the beautiful Villae Rusticae situated along the waterfront. Overnight in town Vis. (B,L)

Day 5 Vis – Biševo (Blue cave) – Hvar Wednesday

We will have an early morning cruise towards small island Biševo to visit the Blue cave, a magnificent natural phenomenon (entrances to be paid on the spot – approx. 7 EUR). As sometimes weather conditions can be very unpredictable,

the possibility of our visit will depend on those conditions, however you will be notified of this on time. Continue to the island of Hvar, Croatia's sunniest island with swim stop in one of the secluded bays. Hvar is a favorite holiday destination for international celebrities and yachters; thus, beyond all the glitz and glamour, Hvar town is a charming seaside resort with 8 centuries of architecture waiting to be explored. On a walking tour, breathe in the pine-scented breeze, as you absorb vistas of the old town with the picturesque little streets and the first public theatre in Europe. Enjoy some free time to pop into craft shops or cafes, tucked into old Venetian palaces. Your evening is free to explore Hvar on your own. (B,L)

Day 6 Hvar – Bol / Milna Thursday

Enjoy a relaxing cruise as we sailing towards to our final island destination - the island of Brač where swimming is planned at the most famous beach in Dalmatia – Zlatni Rat near Bol – whose pebbles shifts from side to side as the wind and waves constantly change in shape. Bol is a typical fishermen's village converted into a popular tourist destination. We will either moor up in the port of Bol on the southern side of the island, or in the waterside town of Milna. The island of Brač is famous for its native Mediterranean pine trees, relaxing atmosphere, and beautiful secluded bays. You'll spend your afternoon swimming and relaxing in either of these stunning areas, with the evening reserved to experience a local restaurant or waterside cafe. (B,L)

Day 7 Bol / Milna – Split Friday

Embrace your last morning cruising the Dalmatian coast as we make our way back to Split. Enjoy your final swim stop in one of Brač island's secluded bays and then have a lunch while we cruise into Split harbour in the afternoon. This UNESCO World Heritage city bases the city centre in and around the stunning Diocletian's Palace, the Roman emperor Diocletian's retirement palace from 295-305 AD. Stroll through the palace basement filled with market stalls and outside experience the historical architecture of this beautiful palace. See the remnants of Split's Roman heritage, it's Renaissance and Gothic structures, Jupiter's temple, The Peristyle and many other unique sites. Overnight in Split. (B,L)
