The Royal River Thames

*The history and beauty
of the Royal River*

Magna Carta: 🏰 Deluxe | 👥 8 Passengers | 🍷 5 Crew

Magna Carta will take you on a slow, meandering journey along the prettiest stretches of the River Thames, past Royal Palaces and quaint riverside towns and villages – a captivating mixture of olde worlde England and the natural beauty of the surrounding countryside.

From Henry VIII's Hampton Court, past Windsor Castle and on to Henley, with frequent stops allowing plenty of time to wander and explore some of England's prettiest counties.

During the cruise, there is a diverse programme of escorted visits along the way - art galleries, stately homes including the real "Downton Abbey", even a boatyard that has been building traditional river craft for centuries.

Magna Carta's large saloon and dining area feature picture windows and stylish furnishings, and the sense of refined space continues in the four very generous, air-conditioned twin/double suites, with their combination of period furniture and contemporary en suite shower rooms.

Outside you can unwind in the heated spa pool, or enjoy a mouth-watering alfresco lunch prepared by your onboard master chef.

With a seasoned Captain at her helm, and an attentive crew at your service, take a cruise through history aboard Magna Carta.
