

## Weekly Hire Charge

Your **Weekly Hire Charge** is determined by your choice of boat and departure date. To establish your **Weekly Hire Charge**, firstly ascertain the price period for your dates noting that the start of your cruise determines the period. The prices in Table 1 are in **Euros**.

If you choose to pay by credit card it will be debited in Euros for the amount shown in Table 1. If you wish to pay in £ sterling then this can be done by a bank transfer. The amount in sterling will be determined by the current exchange rate as shown on the FT web site.

Please note that while some banks make hidden charges & use unfavorable exchange rates when processing foreign transactions France Afloat makes no charges for credit card payments.

To **Book your holiday** call or email us to check availability or to discuss your holiday requirements. We will then place an **option** on the boat which reserves it for you for a period of **7 days**. To **confirm** the reservation you must complete, sign, and send us the **booking form** together with the **Initial payment of 30 percent by bank transfer or by credit card (Euros)**. Please note that all credit card transactions are carried out in Euros.

You will then be sent the **Confirmation and booking Invoice**. Please check these details carefully and notify us immediately if there are any errors.

The **Balance of Hire and one way supplement** (if applicable) of 105 euros in Burgundy and 150 euros on the Midi **are due 8 weeks** before departure. For reservations made less than 8 weeks before departure the full holiday cost is due at the time of booking.
