

ECLIPSE YACHTING

Luxury Skippered Sailing Holidays

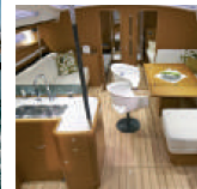

WELCOME ABOARD

Eclipse Yachting invites you aboard our customised Jeanneau 57, Oceanica, for an unforgettable sailing holiday around the stunning Dalmatian islands of Croatia and Ionian Islands of Greece.

Whether you're brand new to sailing or a seasoned sailor, Eclipse Yachting provides tailored sailing holidays to suit your needs at a reasonable price. Does your idea of the perfect sailing holiday involve adventurous sailing days, long lunches and lazy afternoons in tranquil bays? Or time ashore exploring the picturesque islands and absorbing the local culture? Your skipper will organise your itinerary to fit in with what you have in mind.

ABOUT US

Eclipse Yachting is a family-run company. All our staff have hands-on sailing experience on our yacht, around the Croatian and Greek Islands, as well as the wider Mediterranean, so they know what they are talking about.

We cater for anyone and everyone, and pride ourselves on giving our clients their own unforgettable, tailor-made sailing holiday.

Our yacht, Oceanica, is kept in perfect running order and fitted with the most modern equipment. All our skippers are qualified yacht masters as well as competent marine engineers. This means that they keep Oceanica running smoothly throughout your holiday and minimise any potential interruptions.

Our skippers also know the best harbours, ports, towns and beaches. Over the years they have developed personal relationships with local restaurant owners and have in-depth knowledge of the best restaurants, bars and local wines.

DESTINATIONS

The Dalmation Islands

On the West Coast of Croatia, stretching from the island of Rab in the north to the Bay of Kotor in the south, the Dalmation Islands consist of 79 mostly rugged islands running parallel with the coast. The immense number of islands, coves and channels make it the perfect sailing destination for those wanting beautiful scenery, numerous bays and excellent local cuisine.

There are wonderful historical and cultural riches for those who wish to spend some time on land: Trogir and Dubrovnik (both stunning UNESCO world heritage towns), the islands of Hvar and Korcula with their beautiful preserved renaissance architecture, and the traditional unspoiled Dalmation villages of Vis and Brac.

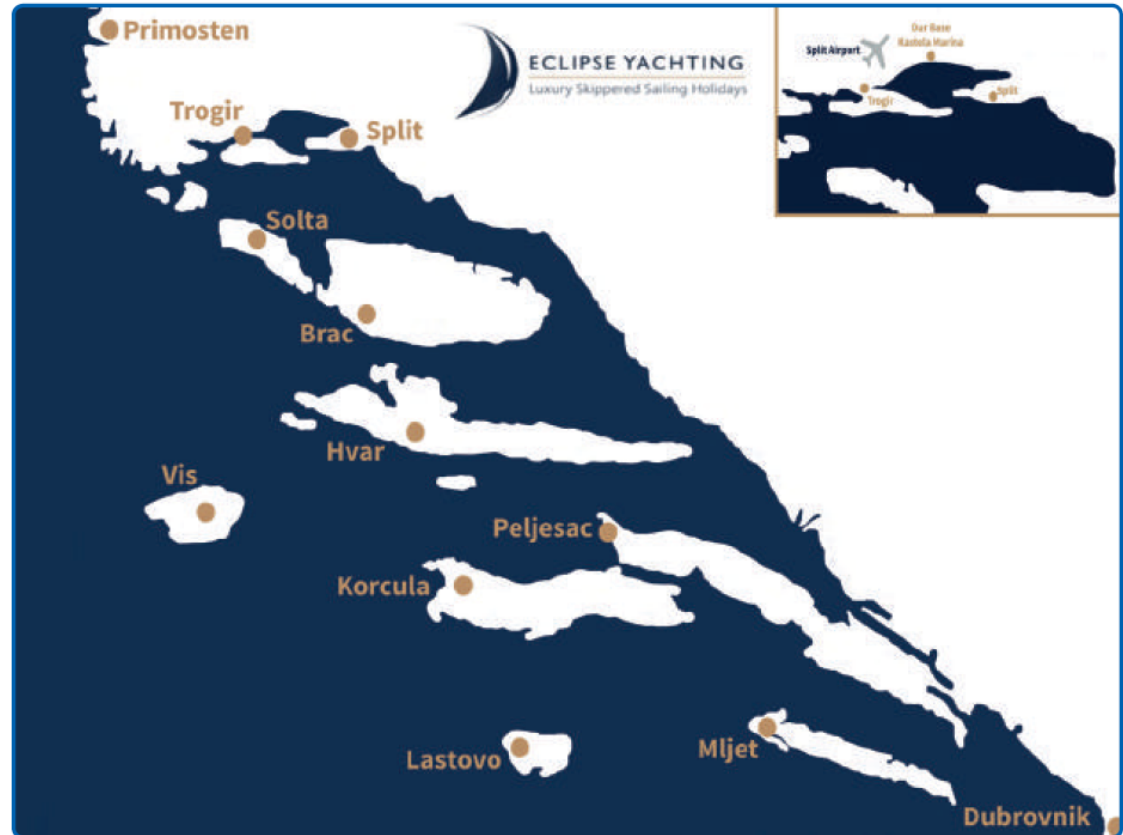

OUR CROATIAN CRUISING AREA

On our one week trips we tend to stay around the northern Dalmatian Islands such as, Brac, Hvar, Vis, Solta and Korcula. We may venture as far north as the picturesque town of Primosten on the mainland. Our longer two week trips enable us to go further afield, possibly as far south as the island of Lastovo and world famous Dubrovnik. We may do a two day stop in some locations to give people time to explore the islands ashore.

The prevailing summertime wind in the Dalmatian islands is from the north-west. Although it is possible to sail from Split to Dubrovnik and back in one week we would not recommend this. The trip back north from Dubrovnik will require long days heading into the prevailing wind to make it back in time for your departure.

On the other hand, on a two week holiday you can take advantage of the extra time, taking the trip north in shorter hops making the journey much more pleasant and relaxing.

TYPICAL WEEK: SOLTA > PRIMOSTEN > VIS > KORCULA > HVAR > BRAC

OCEANICA : OUR YACHT

Oceanica is a 2011 Jeanneau 57 fitted with all the available extra options. We've made her a truly exceptional charter yacht whilst maintaining affordable charter prices.

Oceanica sails like a dream. We've upgraded her sailing capabilities by adding performance mylar sails, a TouchTrim winch handling system (all the winches are electric), advanced satellite navigation and autopilot. For the keen sailors out there, you won't be disappointed with her sailing performance.

The large cockpit, with its comfortable customised cushions and inbuilt table fridge, happily seats 10 to 12 people. It's ideal for sitting and relaxing, reading or sunbathing, or enjoying drinks or a meal together.

Oceanica's interior is spacious and comfortable and sleeps up to 10 guests (plus skipper). It's luxuriously equipped with a Nespresso coffeemaker, microwave, four-burner gas cooker and oven, Bose stereo (with internal and external speakers), a hairdryer, and a Sony TV with a DVD player. There's an on board computer with Wi-Fi so you have internet access in almost any port or anchorage within our cruising area. Plus a washing machine and dryer and dishwasher to help make your holiday as relaxing as possible.

All this electrical equipment is supported by the powerful on-board generator and inverter which provide a 220-volt power supply. This also means that in the hotter months we can run the fully ducted air conditioning wherever we are, for example, in port or at anchor in a remote bay.

A TYPICAL DAY

Whatever your preference we will aim to provide it for you! At the start of each week and as the week goes on our skippers will discuss the options available to you each day.

TO GIVE YOU AN IDEA OF A TYPICAL DAY :

MORNING/BREAKFAST A swim, a coffee ashore and a little shopping before slipping anchor and motoring towards a bay for some swimming, sunbathing and relaxing. We suggest getting going by 11am so you have enough time to enjoy the day. Mornings in the Mediterranean are the coolest time of the day so for any early risers it's the best time to see the local cultural attractions before it gets too hot.

LUNCHTIME We'll drop anchor in a stunning bay, you can swim off the boat, paddle board to the rocks and caves or sit back and relax with a good book. Enjoy lunch in the huge cockpit where up to 10 people can fit comfortably around the table.

AFTERNOON As the breeze picks up in the afternoon we'll lift the anchor and sail towards the evening's harbour. For those of you keen to have a go at sailing yourselves this is the perfect opportunity to helm and pull on the ropes, but rest assured the yacht is designed to be sailed by one person so you are more than welcome to sit back and relax - there is no hard work to be done on board unless you wish to!

EVENING Our skippers know both the sailing areas and the harbours we visit inside out, so can recommend the very best restaurants to eat in each night. They will phone ahead for you to book a table when required, and also suggest the best place for an aperitif or after dinner cocktail for those keen to extend the night!

PRICING

7 Nights Saturday to Saturday

Date	4 April to 25 April	25 April to 9 May	9 May to 13 June	13 June to 27 June	27 June to 29 August	29 August to 12 September	12 September to 26 September	26 September to 31 October
