IT'S ALL ABOUT YOUR OUTLOOK

CRUISE WITH THE WORLD AT YOUR FEET

No other fleet of river cruise ships offers you a view of the world like Avalon Suite ShipsSM, featuring Avalon Panorama SuitesSM. Thirty percent larger than the industry standard, they're actually river cruising's only Open-Air BalconySM—with nothing between you and the view. While other river cruise cabins are designed with beds against a wall for a view of another wall, our Comfort CollectionSM beds actually face the view with the widest-opening, wall-to-wall, floor-to-ceiling panoramic windows in river cruising. Think of it as a view with a room!

THE ADVENTURE IS UP TO YOU

CRUISERS CAN BE CHOOSERS

No two travellers are alike—so Avalon would never expect you to enjoy the same cruise experiences as everyone else. Whether you like to paddle a kayak or paint a canvas, each day on an Avalon river cruise is an adventure of the mind, heart, or heart rate if you prefer. So, go ahead, pick up a paintbrush, a paddle, or the perfect vintage. The possibilities are as wide open as the views.

SEE THE WORLD YOUR WAY WITH

FROM VIEW TO TABLE

SAVOUR THE LOCAL FLAVOURS OF THE WORLD

Avalon shares the flavours of the world with the freshest local ingredients prepared by our talented chefs and served in your choice of venues on board. Our FlexDining® approach to onboard dining experiences has tossed out the idea of restrictive seating times in limited settings. We've brought back the question, "Where should we eat?" to the cruise experience. Choose from options like a breezy al fresco lunch at the Sky Grill, an elegant four-course dinner in the glass-walled dining room, or a more casual culinary setting in the Panorama Bistro. Whichever table setting you choose, you'll savour local flavours as well as the familiar favourites you love. On an Avalon cruise, dining is part of the journey.

LOCAL. HEALTHY. INGREDIENTS.

AVALON FRESH®

Who says healthy cuisine can't be inspiring? On an Avalon Waterways river cruise, you can take an indulgent holiday without drifting from your healthy habits. Our Avalon Fresh selections are exclusively created in collaboration with Austrian brothers Leo and Karl Wrenkh, leading chefs in the healthy-dining movement. Using the freshest ingredients from local farms and suppliers, our chefs create flavourful dishes with a dash of innovation. These creative yet wholesome options are available at every meal we serve on board. Whether you're looking for an energising juice at breakfast, an artfully crafted salad at lunch, or a satisfying plate at dinner, Avalon Fresh steps up to the plate with the perfect ingredients to fuel your day.

// Visit our website to learn more about Avalon Fresh, available on our European fleet. //

SETTING YOUR SPIRIT IN MOTION

FOLLOW YOUR ADVENTURE

Watching centuries of history slowly pass by while cruising is an adventure in itself. But what if elevating your heart rate a few extra beats is more your speed? Meet your Avalon Adventure HostSM. In addition to included active excursions, your Adventure Host holds the gear, maps, and guidance for optional and free-time pursuits on board and on shore. With a visit to our Adventure Center, you can check out a bike for a scenic ride through town, grab Nordic walking sticks and hike to a hillside vineyard or castle, or join a jog or active walk through the great cities or the great outdoors. Whether you're looking for an optional kayaking excursion or a complimentary yoga class on the Sky Deck, your Adventure Host can make it happen.
