About this tour

Experience the charm of a bygone era on this exciting 8 day, 7 night tour where you will discover the best of what Holland and Belgium have to offer.

During the day you will cycle to world famous destinations such as Amsterdam, Dordrecht, Antwerp, Ghent and Bruges, while at night you will relax in the comfort of your floating hotel.

Cycling on this tour is through the beautiful – and flat – Dutch countryside of Zeeland and the western Flanders region of Belgium. Attractions along the way include many charming villages, a visit to a real Dutch cheese farm, the 19 famous Dutch windmills in Kinderdijk and the world famous cities of Antwerp, Ghent and Bruges in the western Flanders region of Belgium. You will cycle through and discover the Dutch province of Zeeland, which is essentially one big river delta of the Rhine, Meuse and Scheldt Rivers famous for its fantastic beaches, water sport activities and Delta works and the Flanders region of Belgium famous for its medieval towns and a reputation for superb food and drink. As well as being able to discover many picturesque villages each day – both on your bicycle and on foot – you will:

- Have the opportunity to discover Amsterdam
- Visit Antwerp, a city famous for its vibrant nightlife
- Get the opportunity to explore Ghent
- Visit the UNESCO World Heritage-listed historical center of Bruges

The ship – Your sailing hotel

In between cycling excursions, you cruise along with the ship, which travels to a new destination every day. You dine, sleep and eat breakfast on board. You'll receive a packed lunch every day, and you can usually choose between a longer or shorter bike ride. It's also possible to spend a day on board if you like. There are rental bikes/E-Bikes on board, but you can also bring your own if you mention it when booking (not possible on the [Fleur/Clair d'Etoile](#)).

Fully Guided

Accompanied by a competent, professional and multilingual tour leader, you and the group will visit interesting sights and places on the daily cycling tours. During the bike tour, they will explain the local history and culture behind the things you encounter along the way. You can also choose to ride individually with the help of our Ride with GPS app and our BBT cycling map (available on board).

The itinerary with the LaMar, Lena Maria & Clair d'Etoile will be slightly different.

The bicycles of Boat Bike Tours

Always the best rental bikes

The rental bikes on our ships are unisex bicycles with a low bar and a comfortable upright sitting position.

These are stable and dependable bikes, good for miles in the saddle. Decide which kind of bike you want to rent

and simply fill in your preference with your reservation. We'll make sure you get the right bike for you. On most of our tours, the bike rental cost is not included in the tour's price.

Touring bikes

Our bicycles have a lightweight aluminum frame and are furnished with highly-responsive handbrakes, at least seven speeds and a gel seat whose height can be adjusted. Attached to the frame is an easy-to-use lock and the wheels carry puncture-resistant tires.

Fleur/Claire d'Etoile (Zwaantje): There are no normal rental bikes available on board, nor is it possible to bring your own bikes due to lack of space on board.

E-bikes

Our e-bikes also have highly-responsive handbrakes and a minimum of seven speeds. The motor runs on a 400Wh battery and offers three levels of power-assistance. The e-bikes include comfortable gel seats that can be adjusted for height, have a lock attached to the frame and special anti-puncture tires.
