## GROUP ESCORT

If your own group escort accompanies the group, it should be understood that the Kompas tour director is in complete charge for that portion of the trip operated by Kompas. They will most happily work and confer with your group escort, but announcements to the group and decision making must be left to the Kompas tour director. Please understand that this cooperation is necessary to avoid conflicting information given to tour members, which could interfere with the scheduled program of Kompas tour. It should also be noted that the Kompas tour director cannot make alterations or deviations to the itinerary at the request of your group escort.
